

# Trait Tracker

Name \_\_\_\_\_

Book \_\_\_\_\_

Character maps can show us a character's traits and how he or she acts toward others based on the settings or events in the story. Think of a character in the selection you just read. Write the name in the main circle. What are four traits that describe this character? Write them in the diamond shapes. Think of evidence from the story to support the trait listed for the character. Write the evidence in the rectangles. When your group meets, read the traits and have them try to guess the character. Do they agree or disagree with your ideas?
